Academic Challenge II 2021 Winners

The Urban League of Lexington's Academic Challenge II program was created to encourage student achievement, parent engagement, and provide college scholarships to students attending Title I schools in Fayette County. With COVID-19 safety protocols orchestrating the educational landscape, the program transitioned to an individual student competition.

Students in 3rd through 5th and 8th grades participated in this virtual challenge answering scholarship prompts that were scored by the District Coordinating Team. With that said, the Urban League, Fayette County Public Schools, and our postsecondary partners are proud to announce the 2020-2021 Academic Challenge II Scholarship Winners.
